## MAYDAY, MAY 1st: WORKER POWER, BURQUE STRONG

Tomorrow, Thursday, May 1, in Tigues Park, 1800 Mountain Rd, near old town plaza, a rally and march will be held from 4:15pm to 6:30pm, with festivities continuing until 8:00. There will live music, DJs, family-friendly activities and speeches from movement leaders.

## STOP MEDICAID CUTS

Below are Republican Representatives shaky on the Medicaid cuts being discussed in the Budget Committee this week. Please call their offices and demand that they vote NO on Medicaid cuts. These are the most vulnerable republicans according to the **Cook Political Report**, and their vote affects all Americans. I have included their major Committee assignments and a zip code and town to use when you call. They always ask for a zip-code but not an address. (*Some may consider this unethical, but certainly not compared to deporting 2-year old citizens.*)

## **New Mexico Indivisible Conference**

**RGI Members Alert: only 3 members (!!!) replied that they will be coming to the NM Indivisible Conference.** We know there are more of you who will want to be part of this exciting opportunity to join other Indivisible members from around the state and hear some excellent speakers and attend wonderful workshops. The planning committee needs to know approximate numbers in order to plan for the venue, events, etc.

**No later than Friday, May 2, please respond to me by replying to this email, to let me know if you are interested in coming.**

**There is no commitment, so you can respond with a MAYBE.**
